

BRANSBY HORSES
— Rescue and Welfare —

A GIFT OF Warmth

Older horses may need extra warmth in cold and wet weather, a well fitting rug can help a horse maintain condition and be very beneficial for those that do not have a full coat. Your generous gift will help ensure that horses in our care stay warm and comfortable.

GIFTS WITH A DIFFERENCE is a fantastic gift that helps to support the work at Bransby Horses.

YOUR GIFT HAS MADE A REAL DIFFERENCE.

Thank you - your gift makes a real difference for the horses, ponies, donkeys and mules in our care.

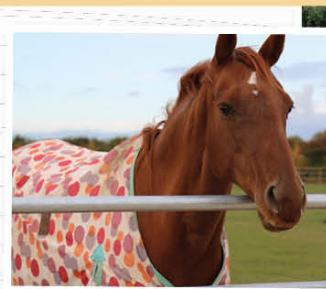

Bransby Horses was founded by the late Mr Peter Hunt in 1968. The charity has grown significantly over the last 50 years and is now one of the largest equine welfare charities in the UK.

Committed to improving equine welfare, care is provided through rescue, rehabilitation, rehoming and providing a safe haven for over 400 equines. There are also more than 500 rescued equines in foster homes under our Friend for Life Rehoming Scheme.

Bransby Horses is funded entirely by public donations and legacies. Without your support the charity would simply not be able to continue with its commitment to rescue, welfare and education work.

Situated in the hamlet of Bransby eight miles from the historic city of Lincoln, the Visitor Centre is open 362 days a year from 10am to 4pm. Please get in touch to request a copy of Bransby Life twice a year.

Please visit our website for details on events running throughout the year.
