Nipper

Born: 2015

Arrival: 2015

Size: Still growing

Breed: Donkey

Likes: Playing with his friends

Dislikes: Puddles

Nipper was born on 4th August 2015 at Bransby Horses, after his mum Gnasha came in following abandonment along with three others. Nipper loves his life at the charity and spends a lot of time with his best friend Ronnie and their other donkey friends. Nipper likes to steal things out of the pockets of staff and visitors and run away with them. He loves to play chase with Ronnie and convince the other donkeys to join in. He doesn't like puddles or mud and will refuse to walk over them or try to turn around and go back the way he came!

DID YOU KNOW?

Nipper was born on site and was the first donkey foal to be born at Bransby Horses for 13 years!

Visit Us

All of the adoption animals live at Bransby Horses on the Visitor Centre Yard. The site is open to the public every day between 10am and 4pm; entry is free, although donations are gratefully received. All the adoption animals, as much as possible, are kept at the Visitor Centre where they can be seen easily. On occasions animals may need to be moved for various reasons. If you are traveling any distance to visit your adoption animal then we advise you to ring before setting off on your journey. Bransby Horses has a full calendar of events including Adoption Animal Meet & Greets and three annual fayres. Please visit the website for further information.
