Notice of Photography & Filming

Please be aware we may be taking photographs or filming today for use in promotion of the charity through marketing and publicity by Bransby Horses or third party organisations, for example on our website. Please contact a member of our team if you wish to be exempt from this activity.

Bransby Horses is an equine rescue and welfare charity rescuing, rehabilitating, rehoming and providing sanctuary care for equines in need since 1968.

We are proud to be able to share our work with you and invite you to meet many of our equine residents from horses and ponies to donkeys and mules.
